Trump's Easter Message - "We're going to be honoring Jesus Christ very powerfully all throughout our lives every day."

(While we bomb Gaza back into the stone age. Jesus would approve.)

"We're bringing religion back to America. Happy Easter."

Trump belongs to Chabad, the Jewish supremacist cult that is arranging a "social catastrophe," the prerequisite for the return of the Jewish antichrist and the fulfillment of End Times prophecy. He confirmed this by his visit to Schneerson's grave on Oct 7, 2024 (https://www.jta.org/2024/10/07/politics/trump-visits-queens-gravesite-of-last-chabad-leader-to-mark-oct-7-anniversary) , the anniversary of the false flag (Israel knew!) Hamas attack. His role is to lead the goyim into the

third Masonic Jewish world war (https://www.amazon.com/dp/0991821157/) . We love that

Trump is saving America, but it is to garner support for Israel. Trump is an actor in a political reality show.

If Carney pursues globalist policies, Canada will break up and be swallowed by the US. This may have been Trump's motive in trolling Canada which led to Poilievre's defeat.

Canada's New Prime Minister, Mark Carney, Is Pro-CBDC, Transgender for Kids, Climate Tyranny

https://needtoknow.news/2025/04/canadas-new-prime-minister-mark-carney-is-pro-cbdc-transgender-for-kids-climate-tyranny/ (https://needtoknow.news/2025/04/canadas-new-prime-minister-mark-carney-is-pro-cbdc-transgender-for-kids-climate-tyranny/)

"Globalist Mark Carney served as the governor of the Bank of Canada from 2008 to 2013 followed by a 7-year stints as the governor of the Bank of England from 2013 to 2020. Canadian journalist Dan Dicks reported that while Carney was in England, his biological daughter enrolled in the Tavistock Gender Clinic that promoted puberty blockers and cross-sex hormones for minors; Tavistock has been shut down due to causing harm. Carney and his wife have also been photographed with Jeffrey Epstein affiliate, Ghislaine Maxwell.

OP-ED: Canada chose fear over change by handing Carney power

Sue Ann Levy writes, "Voters who opted to return Liberals -- under the very dangerous Carney -- for a fourth time are the perfect definition of insanity."

They voted for the same party that destroyed Canada under Justin Trudeau, --with crime and Jew hatred rampant, drug addiction celebrated, the economy in dire straits and young people's hopes for the future broken -- expecting a different result under the man who advised Trudeau repeatedly, especially in the last few years.

George Christensen reads the entrails from the Canadian election and pronounces the oracles for the Australian federal election May 3.
I think by next week it will be : twice "the brinded cat hath mew'd".

"Let me say it straight: Pierre Poilievre was supposed to be Canada's great white hope. A conservative firebrand. A bulldog against globalist overreach. A man who once knew how to say what every working-class voter was thinking--but then? He folded. He blinked. He tried to please the media, the elites, the so-called "moderates." And what did he get in return?

Defeat. Humiliation. A left-wing Liberal majority....Here's what they need to do--today--if they want to avoid the same fate as Canada's conservatives:

1. Rip up the globalist script. Ditch the 2030 net-zero goals. End the UN climate agenda. Bring manufacturing home. [This means a reciprocal tariff structure] Sovereignty first--every time.....

RFK Jr. Calls Out Pentagon "Chemtrail" Geoengineering Program, Points to DARPA

https://needtoknow.news/2025/04/rfk-jr-calls-out-pentagon-chemtrail-geoengineering-program-points-to-darpa/ (https://needtoknow.news/2025/04/rfk-jr-calls-out-pentagon-chemtrail-geoengineering-program-points-to-darpa/)

RFK Jr. appeared on the Dr. Phil show and was asked by an audience member how to stop the "the stratospheric aerosol injections that are continuously peppered on us every day." Kennedy responded by saying, "That is not happening in my agency, we don't do that. It's done - we think - by DARPA and a lot of it now is coming out of the jet fuel. Those materials are put in jet fuel. I'm going to do everything in my power to stop it. We're bringing on somebody who's gonna think only about that, find out who's doing that and hold them accountable."

The alt media is just as bad as the legacy media in terms of clickbait and outright lying. I don't know if this is true.

Klaus Schwab's Daughter Confesses: 'WEF Plans to Murder Billions of People'

"Nicole Schwab, the daughter of World Economic Forum co-founder Klaus, is extensively co-operating with prosecutors in the crimes against humanity case against key figures of the global elite, sparking fear in the WEF, the UN, and the WHO that their diplomatic immunity is about to be revoked and arrest warrants issued.

Behind the scenes, the so-called untouchables are panicking. Investigations once thought impossible are in full swing. Prosecutors are circling. The illusion of immunity is cracking, and whispers inside the International Criminal Court say we're on the brink of Nuremberg 2.0. Real names. Real trials. Real consequences

Kevin Barrett naively believes Trump is avoiding war. Iran and Israel are both controlled by Freemasons.

Trump vs. Iran: Nuclear Deal II or World War III?

https://kevinbarrett.substack.com/p/trump-vs-iran-nuclear-deal-ii-or (https://kevinbarrett.substack.com/p/trump-vs-iran-nuclear-deal-ii-or)

Netanyahu--front man for the Zionist cabal that orchestrated 9/11--blew up the World Trade Center in order to hijack the US military to destroy "seven countries in five years," the seventh and most important being Iran. But the culmination of that plan is almost twenty years behind schedule. Pushback from realists in the US strategic establishment, who know war with Iran would be catastrophic for America, has prevented Bibi's loyalists from drawing the US into its stupidest-ever war for Israel.

Yet Trump now stands on the precipice of that war. Caught between the proverbial rock and hard place--the strategic reality that war with Iran would destroy America and with it Trump's political prospects, and his promises to Netanyahu to

countenance such a war--the occupant of the White House is ensnared in a trap of his own making.

Developments: Attorney Dr. Reiner Fuellmich sentenced to 3 years and 9 months

He courageously stands up to a corrupt trial and judge, who sentences him to 3 years and 9 months on a phony charge of some kind of loan, to shut him up. The main witness can not or will not testify to this charge.

Examining the Real Egyptian History of the Hyksos, the Hebrews and the Exodus

The Hyksos were a mysterious "Asiatic" Semitic tribe that invaded Egypt in 1782 B.C. and ruled until 1570 B.C. Then the Egyptians from Upper Egypt reunited the country and overthrew Hyksos rule. There is an active debate as to whether these were early Hebrew tribes. We say they were.

The Hyksos were characterized as "smart, pushy and rude."

"This is how my family was, my mother, my older brother Ahmed, my brother Basil, and my nieces Omar and Nada. We were a beautiful and quiet family, living in a beautiful house before the occupation killed them all. The house was targeted over our heads, and they were all martyred. Only my older sister and I survived, and we live alone now. Pray for us."

14. COVID-19 Vaccine Trials (2020-Present) - A Mass Depopulation Experiment
Year: 2020-Present

Details: Under Operation Warp Speed (President Trump), Big Pharma skipped long-term safety trials. VAERS reports reveal thousands of deaths, heart attacks, and autoimmune disorders--but the CDC buried the evidence and silenced the truth-tellers. Now, whistleblowers warn these shots contain graphene oxide, prions, and infertility agents.

Health Ranger commentary: The U.S. government is running the largest human experiment in history--and immediate Criminal tribunals must indict those pushing these lethal injections. Where is the criminal prosecution against Fauci?

G. Edward Griffin's "World Without Cancer" reveals the orchestrated suppression of a potential cure for cancer

https://www.naturalnews.com/2025-04-30-book-reveals-orchestrated-suppression-of-potential-cancer-cure.html (https://www.naturalnews.com/2025-04-30-book-reveals-orchestrated-suppression-of-potential-cancer-cure.html)

"G. Edward Griffin, author of "*World Without Cancer: The Story of Vitamin B17 Part 2,*" claims the cancer industry is a "farce." He argues that it prioritizes profits over cures through expensive conventional treatments while suppressing natural alternatives.

Griffin argues that cancer stems from uncontrolled trophoblast cells, which he believes can be managed using vitamin B17 (found in apricot kernels and bitter almonds). He says vitamin

B17 targets only malignant cells - though mainstream medicine dismisses this as unproven and dangerous.

Griffin accuses Big Pharma, regulatory agencies and medical institutions of deliberately suppressing vitamin B17 to protect the lucrative cancer treatment industry, citing historical ties between medicine and corporate interests."
